

## HOW TO REGISTER FOR CLASSES VIA THE MINDBODY APP

- 1) Download the MINDBODY App on your smartphone (App Store – Apple; Google Play – Android)
- 2) Create a new profile using your email address (if you don't already have a profile)
- 3) During the process, you will be sent a verification email to confirm your account. Once accepted, you're good to go
- 4) Tap on the magnifier glass icon to activate the search bar and type in GoodFITT. The complete name and logo appear – select that and continue
- 5) Favorite the page by tapping the small heart icon which will make GoodFITT easy to find the next time
- 6) Tap the calendar icon and the class schedule will appear. Here you will be able to select the classes you would like to attend. You can multi-register or register for just one class at a time. Choose a time slot and you're in! An email will be sent to you confirming your reservation reminding you of the date and time selected and the name of the class.
- 7) Show up at the time you registered for at least 10-15 minutes in advance. We recommend this if its your first time attending the class so that you can meet with the instructor and the other team members, as well as address any questions or concerns you may have.
